

RREAL IN Application Training Schedule 2009

Below is the schedule for training on the Residential Real Estate Acquisition Licensing Information and Numbers (RREAL IN) Database. Each training session is scheduled for one morning or one afternoon.

Please select a location, date and session time (morning or afternoon) from the schedule below. **Due to limited space, pre-registration is required to attend scheduled training.** Additional training dates maybe added to the schedule, based on need. Availability of an online training option, will be communicated at a later date.
